PROXY STATEMENT

The enclosed proxy card (the "Proxy") is solicited on behalf of the Board of Directors of North Valley Bancorp, a California corporation (the "Company"), for use at the Annual Meeting of Shareholders to be held in the Administrative Offices of North Valley Bancorp, 300 Park Marina Circle, Redding, California, at 5:30 p.m., on Thursday, May 26, 2011, and any adjournment or postponement thereof (the "Meeting"). Only shareholders of record at the close of business on April 15, 2011, (the "Record Date") will be entitled to notice of and to vote at the Meeting. At the close of business on the Record Date, the Company had outstanding 6,832,492 shares of its common stock, no par value (the "Common Stock"). These proxy materials are first being mailed to shareholders on or about April 25, 2011.

On each matter submitted to a shareholder vote, each holder of Common Stock will be entitled to one vote, in person or by proxy, for each share of Common Stock outstanding in the holder's name on the books of the Company as of the Record Date. At the 1998 Annual Meeting of Shareholders, the Company's Articles of Incorporation were amended to provide that no holder of any class of stock of the Company shall be entitled to cumulate votes in connection with any election of Directors of the Company. Therefore, in the election of Directors, each outstanding share of Common Stock is entitled to cast one vote for as many separate nominees as there are Directors to be elected. The nominees who receive the most votes for the number of positions to be filled are elected Directors.

Shareholders may vote without attending the Meeting, whether their shares of Common Stock are held in their names or through a broker, bank or other nominee. Shareholders of record may vote by submitting a Proxy and the instructions for voting by mail, by telephone or by using the Internet are set forth on the Proxy. For shares held through a broker, bank or other nominee, shareholders may vote by submitting their voting instructions to the broker, bank or other nominee. Voting instructions may be given by telephone or by using the Internet, if the broker, bank or other nominee makes those methods available to the shareholder, in which case the procedures will be enclosed with the Proxy Statement forwarded by the broker, bank or other nominee.

Any person submitting a Proxy in the form accompanying this Proxy Statement has the power to revoke or suspend such Proxy prior to its exercise. A Proxy is revocable prior to the Meeting by a written direction to the Company, by a duly executed Proxy bearing a later date, delivered to the Corporate Secretary of the Company, or by voting on a later date by telephone or by using the Internet. A Proxy may also be revoked if the shareholder is present and elects to vote in person at the Meeting.

Any shareholder may choose to vote shares of Common Stock by telephone by calling the toll-free number (at no cost to the shareholder) indicated on the Proxy. Telephone voting is available 24 hours per day. Easy to follow voice prompts allow a shareholder to vote shares and to confirm that instructions have been properly recorded. The Company's telephone voting procedures are designed to authenticate the identity of shareholders by utilizing individual control numbers. *If a shareholder votes by telephone, there is no need to return the Proxy.*

Any shareholder may also choose to vote shares of Common Stock electronically by using the Internet, as indicated on the Proxy. Internet voting procedures are designed to authenticate the identity of a shareholder

and to confirm that instructions have been properly recorded. The Company believes these procedures are consistent with the requirements of applicable law. *If a shareholder votes electronically by using the Internet, there is no need to return the Proxy.*

Notice of Internet Availability : The North Valley Bancorp Proxy Statement for the 2011 Annual Meeting of Shareholders being held on Thursday, May 26, 2011 and the Annual Report to Shareholders (which includes the Annual Report on Form 10-K for the fiscal year ended December 31, 2010) are available on the internet at [http:// www.novb.com /proxy.aspx](http://www.novb.com/proxy.aspx) .

The Company will bear the entire cost of preparing, assembling, printing and mailing proxy materials furnished by the Board of Directors to shareholders. Copies of proxy materials will be furnished to brokerage houses, fiduciaries and custodians to be forwarded to the beneficial owners of the Common Stock. The Company will reimburse brokerage houses, fiduciaries, custodians and others holding shares in their names or names of nominees or otherwise for reasonable out-of-pocket expenses incurred in sending proxy materials to the beneficial owners of such shares. In addition to the solicitation of proxies by use of the mail, some of the officers, directors and employees of the Company may (without additional compensation) solicit proxies by telephone, Internet or personal interview, the costs of which the Company will bear. The Company may, at its discretion, engage the services of a proxy solicitation firm to assist in the solicitation of proxies. The total expense of this solicitation will be borne by the Company and will include reimbursement paid to brokerage firms and others for their expenses in forwarding soliciting material and such expenses as may be paid to any proxy solicitation firm engaged by the Company.

Shares of Common Stock will be voted as directed by the shareholder submitting the Proxy, and, if no instructions are given on the Proxy, it will be voted "FOR" the election of the nominees for Director recommended by the Board of Directors, "FOR" approval of the advisory (non-binding) proposal on the Company's executive compensation ("Say On Pay"), "FOR" approval of an annual advisory (non-binding) proposal for future "Say on Pay" votes, and "FOR" ratification of the appointment of Perry-Smith LLP as Independent Registered Public Accounting Firm for the Company for the 2011 fiscal year, all as described in the Proxy Statement, and, at the Proxy holders' discretion, on such other matters, if any, which may properly come before the Meeting (including any proposal to adjourn the Meeting). A majority of the shares entitled to vote, represented either in person or by a properly executed Proxy, will constitute a quorum at the Meeting. Votes cast will be counted by the inspectors of election at the Meeting. The inspectors will treat abstentions and "broker non-votes" as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but they are not treated as shares voted on any proposal and therefore will have no effect upon the outcome of any proposal. Broker non-votes are shares held by brokers or nominees as to which instructions have not been received from the beneficial owners or persons entitled to vote and the broker or nominee does not have discretionary voting power under applicable rules of the stock exchange or other self-regulatory organization of which the broker or nominee is a member. In the election of directors, the nominees receiving the highest number of votes will be elected. The approval of any proposal (other than the election of directors) requires the affirmative vote of a majority of the shares represented and voting at the Annual Meeting (unless a greater number is required as described in a proposal), which shares voting affirmatively also constitute at least a majority of the required quorum.

A COPY OF THE ANNUAL REPORT OF THE COMPANY FOR THE FISCAL YEAR ENDED DECEMBER 31, 2010, INCLUDING AUDITED FINANCIAL STATEMENTS (THE "ANNUAL REPORT"), IS ENCLOSED WITH THESE PROXY MATERIALS. ADDITIONAL COPIES OF THE ANNUAL REPORT ARE AVAILABLE UPON REQUEST TO THE CORPORATE SECRETARY. THE ANNUAL REPORT INCLUDES A COPY OF THE COMPANY'S ANNUAL REPORT FOR THE FISCAL YEAR ENDED DECEMBER 31, 2010 ON FORM 10-K, AS FILED WITH THE SECURITIES AND

EXCHANGE COMMISSION. THE CORPORATE SECRETARY MAY BE CONTACTED AT NORTH VALLEY BANCORP, P.O. BOX 994630, REDDING, CALIFORNIA 96099-4630.

**PROPOSAL NO. 1
ELECTION OF DIRECTORS**

The Bylaws of the Company provide a procedure for nomination for election of members of the Board of Directors, which procedure is printed in full on the Notice of Annual Meeting of Shareholders accompanying this Proxy Statement. Nominations not made in accordance therewith may, in the discretion of the Chairman of the Meeting, be disregarded, and, upon his instruction, the inspectors of election shall disregard all votes cast for such nominee (s).

Section 16 of the Bylaws of the Company provides as follows:

“The directors shall be elected annually by the shareholders at the annual meeting of the shareholders; provided, that if for any reason, the annual meeting or an adjournment thereof is not held or the directors are not elected thereat, then the directors may be elected at any special meeting of the shareholders called and held for that purpose. The term of office of the directors shall, except as provided in Section 17, begin immediately after their election and shall continue until their respective successors are elected and qualified. Notwithstanding the rule stated herein that directors shall be elected annually, each director continuing to serve as such at the time of an annual or special meeting of the shareholders shall nevertheless continue as a director until the expiration of the term to which he or she was previously elected by the shareholders, or until his or her prior death, resignation or removal.”

Under Section 15 of the Bylaws of the Corporation, the authorized number of directors shall not be less than six (6) nor more than eleven (11), unless and until changed by an amendment approved by the shareholders. The exact number of directors within said range is fixed from time to time by resolution of the Board of Directors (or by action of the shareholders). Since the 2010 Annual Meeting, the Board of Directors has been composed of nine (9) members. For purposes of the 2011 Annual Meeting, the authorized number of directors has been fixed by resolution of the Board of Directors at eight (8). Accordingly, eight (8) Directors will be elected at the Meeting. All Proxies will be voted for the election of the eight (8) nominees recommended by the Board of Directors, unless authority to vote for the election of any Director or all Directors is withheld. The following seven (7) nominees recommended by the Board of Directors are incumbent Directors. The other nominee is Timothy R. Magill.

Michael J. Cushman
Roger B. Kohlmeier
J. M. (Mike) Wells, Jr.

Dante W. Ghidinelli
Martin A. Mariani

Kevin D. Hartwick
Dolores M. Vellutini

Directors Royce L. Friesen and William W. Cox have elected not to have their names be put in nomination for the Board of Directors at the 2011 Annual Meeting. Mr. Friesen has been a Director of North Valley Bancorp and North Valley Bank since 1999. Mr. Friesen has announced his retirement from the Board of Directors, and as a member of all committees upon which he currently serves, effective at the completion of his current term as a Director, at the 2011 Annual Meeting. Similarly, Mr. Cox, who has been a Director of North Valley Bancorp and North Valley Bank since 1997, has announced his retirement from the Board of Directors, and as a member of all committees upon which he currently serves, effective at the completion of his current term as a Director, at the 2011 Annual Meeting.

The Nominating Committee of the Board of Directors has recommended to the Board of Directors that Timothy R. Magill's name be placed in nomination as a new member of the Board of Directors. Mr. Magill was previously a Director of Bank of Woodland, a founding Director of Yolo Community Bank, and a Director of North Valley Business Bank, which in 2006 merged into North Valley Bank. Mr. Magill is and has been a shareholder of the Company and a member of North Valley Bank's Advisory Board. As of April 15,

2011, Mr. Magill owned 24,301 shares of North Valley Bancorp common stock. Mr. Magill is currently employed by Waste Management, Inc. Since 1997, his positions have included General Manager, Division President, District Manager, and for the past five years Marketing and Planning Development Manager.

The appointment of any person, including Mr. Magill, to serve as a new director of the Company (or North Valley Bank) is subject to the satisfaction of certain regulatory requirements. An appointment to the Board of Directors of the Company or the Bank is subject to receipt of “no-objection” from the Federal Reserve Bank of San Francisco (the “Federal Reserve Bank”) and an appointment to the Board of Directors of North Valley Bank is also subject to receipt of “no-objection” from the California Department of Financial Institutions (the “DFI”). Notice of “no objection” to the appointment of Mr. Magill as a Director of the Company (and as a Director of North Valley Bank) was received from the Federal Reserve Bank on April 6, 2011, and from the DFI on April 14, 2011 regarding Mr. Magill’s appointment to serve as a Director of North Valley Bank. Assuming Mr. Magill is elected as a Director of the Company at the 2011 Annual Meeting, the Company intends to appoint Mr. Magill as a Director of North Valley Bank. The current Directors of the Company have nominated Mr. Magill for election as a Director because they believe he is well-qualified by virtue of his competence, experience, character and integrity, to serve on the Board of Directors of the Company and North Valley Bank.

If any of the eight (8) nominees should unexpectedly decline or be unable to act as a Director, the Proxies may be voted for a substitute nominee to be designated by the Board of Directors. The Board of Directors has no reason to believe that any nominee will become unavailable and has no present intention to nominate persons in addition to or in lieu of those named above. The eight (8) candidates receiving the highest number of votes will be elected.

The Board of Directors unanimously recommends a vote “FOR” each of the eight (8) nominees listed above: Michael J. Cushman, Dante W. Ghidinelli, Kevin D. Hartwick, Roger B. Kohlmeier, Timothy R. Magill, Martin A. Mariani, Dolores M. Vellutini, and J. M. (Mike) Wells, Jr.

GOVERNANCE OF THE COMPANY

Code of Business Conduct and Ethics

The Board of Directors of North Valley Bancorp believes the cornerstones of our business are honesty, truthfulness, integrity and ethics.

In keeping with this belief, the Board of Directors has adopted a Code of Business Conduct and Ethics, which applies to the Board of Directors and the officers and employees of the Company and North Valley Bank. The North Valley Bancorp Code of Business Conduct and Ethics is available through the Shareholders Relations link on the Company's website at www.novb.com. A copy of the Code of Business Conduct and Ethics may be obtained without charge by submitting a request to the Corporate Secretary, P.O. Box 994630, Redding, CA 96099-4630.

Director Independence

The Board of Directors of the Company has evaluated the independence of each of the members of the Board of Directors in accordance with applicable laws and regulations including the provisions of the Sarbanes-Oxley Act of 2002 (“SOX”), the rules and regulations of the Securities and Exchange Commission (the “SEC”) and the corporate governance listing standards of The NASDAQ Stock Market (“NASDAQ”).

The Board of Directors has determined that a majority of the Board of Directors is comprised of “Independent Directors” within the requirements of SOX, SEC and NASDAQ. The Board of Directors has further determined that Director Michael J. Cushman, who is employed as the President and Chief Executive Officer of the Company, is not independent.

The “Independent Directors” held ten (10) regularly scheduled meetings during 2010 (executive sessions) at which only the “Independent Directors” were present.

Leadership Structure

The positions of Chairman of the Board of Directors and President and Chief Executive Officer are filled by different persons. Mr. Wells, an independent director, serves as Board Chairman, while Mr. Cushman serves as President and Chief Executive Officer. The Board believes that separating the roles of Chairman and Chief Executive Officer is preferable and in the best interests of shareholders because it gives the independent directors a significant role in setting priorities and enhances the Board’s ability to fulfill its oversight responsibilities. Separating the positions also provides an independent viewpoint and focus at meetings of the Board and improves communication between executive management and the Board.

Risk Oversight

Risk management is the responsibility of management and risk oversight is the responsibility of the Board of Directors. The Board administers its risk oversight function principally through a division of responsibility within its committee structure, with each committee of the Board of Directors being responsible for overseeing risk within its area of responsibility. The responsibilities of the Board committees are discussed under each committee below. Some significant risk oversight matters are reported directly to the Board, including matters not falling within the area of the responsibility of any committee. Types of risks with the potential to adversely affect the Company include credit, interest rate, liquidity, and compliance risks, and risks relating to our operations and reputation. Management regularly provides the Board of Directors and its various committees with a significant amount of information regarding a wide variety of matters affecting the Company. Matters presented to the Board and Board committees generally include information with respect to risk, including input from Gary S. Litzinger, Executive Vice President and Chief Risk Officer. The Board and its committees consider the risk aspects of such information and often request additional information with respect to issues that involve risks to the Company. The Board and its committees also raise risk issues on their own initiative.

Review of Risk Associated with Compensation Plans

The Company develops and implements compensation plans that provide strategic direction to the plan participants and engage them in the Company’s success, thereby contributing to shareholder value. The Board of Directors believes that its approach to goal setting, performance evaluation and discretion in the payout of incentives help to mitigate excessive risk-taking that could harm the Company or reward poor judgment by senior officers. The Company’s pay programs are designed to reward outstanding individual and team

performance while mitigating risk-taking behavior that might affect financial results. The Compensation Committee met with senior officers, including the General Counsel and Corporate Secretary of the Company, to review the 2010 incentive compensation plans and concluded that, based on the controls described above and elsewhere in this Proxy Statement that such plans do not present risks that are reasonably likely to have a material adverse affect on the Company.

Compensation Committee

The Board of Directors has formed a Compensation Committee and appoints the members of the Compensation Committee, comprised solely of independent directors. This Committee reviews and recommends to the Board of Directors salaries, performance-based incentives, both annual and long term, and other matters relating to compensation of the Executive Officers.

The Compensation Committee also reviews and approves various other compensation policies and matters. The Compensation Committee held two (2) meetings in 2010. For more information, see the "Report of the Compensation Committee" on page 37. The functions of the Compensation Committee are more particularly described in the Compensation Committee Charter, which is attached to this Proxy Statement as Appendix C.

Executive/Corporate Governance Committee

The Company has an Executive/Corporate Governance Committee which functions to review, evaluate and make decisions on actions that are required between the regular meetings of the Board of Directors. In addition, this Committee functions to review and recommend to the Board of Directors principles, policies and procedures affecting the Board of Directors and its operation and effectiveness. The Committee further oversees the evaluation of the Board of Directors and its effectiveness. The Committee met four (4) times in 2010.

Meetings of the Board of Directors

During 2010, the Board of Directors held four (4) regularly scheduled meetings and seven (7) special meetings. In 2010, each Director attended at least 75% of the aggregate of the total number of meetings of the Board of Directors (held during the period for which he or she was a Director) and the total number of meetings of Committees of the Board of Directors on which such Director served (during the periods that he or she served).

The Company encourages the members of its Board of Directors to attend the Company's annual meeting of shareholders each year. All of the Directors attended the Company's annual meeting of shareholders held in 2010.

Shareholder Communications with Directors

A shareholder who wishes to communicate directly with the Board of Directors, a Committee of the Board or an individual Director should send correspondence to:

Redding, California 96099-4630

The Corporate Secretary has been instructed to forward such correspondence to the Board Committee or individual as addressed as soon as practicable. If it is marked "Personal and Confidential", it will only be forwarded to the addressee. The Board has instructed the Corporate Secretary, prior to forwarding any correspondence, to review such correspondence and, in his discretion, not to forward certain items if they are deemed of a commercial or frivolous nature or otherwise inappropriate for the Board's consideration.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires the Company's Directors and Executive Officers and persons who own more than 10% of a registered class of the Company's equity securities to file with the Securities and Exchange Commission (the "SEC") initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Officers, Directors and greater than 10% shareholders are required by the SEC to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on a review of such reports furnished to the Company and written representations that no other reports were required, during the fiscal year ended December 31, 2010, all Section 16(a) filing requirements applicable to its officers, Directors and 10% shareholders were complied with on a timely basis.

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

The Board of Directors of North Valley Bancorp strives to ensure that its compensation plan is consistent with the strategic goals and objectives of the Company and maintains the standards of good corporate governance.

Philosophy

All of the Company's compensation programs are designed to attract and retain key employees, motivating them to achieve and rewarding them for superior performance. Different programs are geared to short and longer-term performance with the goal of increasing shareholder value over the long term. Executive compensation programs impact all employees by setting general levels of compensation and helping to create an environment of goals, rewards and expectations. North Valley Bancorp believes the performance of every employee is important to its success and recognizes the importance of executive compensation and incentive programs to achieve improved performance.

North Valley Bancorp believes that the compensation of its executives should reflect their success as a management team, rather than individuals, in attaining key operating objectives, such as growth of deposits, loans, maintaining credit quality, growth of operating earnings and earnings per share and growth or maintenance of market share and long-term competitive advantage, and ultimately, in attaining an increased market price for its stock. North Valley Bancorp believes that the performance of the executives in managing the Company, considered in light of general economic and specific company, industry and competitive conditions, should be the basis for determining their overall compensation. North Valley Bancorp also believes that their compensation should not be based on the short-term performance of the Company stock, whether favorable or unfavorable, but rather that the price of the Company stock will, in the long-term, reflect its operating performance, and ultimately, the management of the Company by its executives. North Valley Bancorp seeks to have the long-term performance of the Company stock reflected in executive compensation through stock option awards.

Compensation Committee Interlocks and Insider Participation

During the fiscal year 2010, Michael J. Cushman participated in deliberations of the Company's Board of Directors concerning executive officer compensation for all Executive Officers, excluding himself.

Overview of Compensation and Process

Elements of compensation for corporate executives include: salary, bonus, stock option awards, deferred compensation plans, salary continuation plan, health, disability and life insurance, and perquisites. Base salaries are proposed for Executive Officers at the regularly scheduled December meeting of the Compensation Committee. At this meeting, the Compensation Committee also reviews and recommends the management incentive plan for the new fiscal year (the "Executive Discretionary Incentive Plan") and recommends stock option awards for the Company's Executive Officers and certain other eligible employees. Because of the economic downturn, all elements of executive compensation have been "frozen" at 2008 levels, as discussed below.

At the beginning of each fiscal year, it has been the practice of the Compensation Committee to meet and review the history of all the elements of each Executive Officer's total compensation over previous years and compare the compensation of the Executive Officers with that of the executive officers in an appropriate market place and industry comparison group. Typically, the Chief Executive Officer makes compensation recommendations to the Compensation Committee with respect to the Executive Officers who report to him. Such Executive Officers are not present at the time of these deliberations. The Chairman of the Board then makes compensation recommendations to the Compensation Committee with respect to the Chief Executive Officer, who is absent from that meeting. The Compensation Committee may accept or adjust such recommendations.

North Valley Bancorp chooses to pay each element of compensation in order to attract and retain the necessary executive talent, reward annual performance and provide incentive for their balanced focus on long-term strategic goals as well as short-term performance. The amount of each element of compensation is determined by or under the direction of the Compensation Committee, which uses the following factors to determine the amount of salary and other benefits to pay each Executive Officer:

- Performance against corporate and individual objectives for the previous year;
- Value of their unique skills and capabilities to support long-term performance of the Company;
- Achievement of strategic objectives;
- Earnings per share;

- Deposits and/or loan growth; and
- Any of the above measures compared to peer or other companies.

These elements fit into our overall compensation objectives by helping to secure the future potential of our operations, facilitating our strategic plan, providing proper compliance and regulatory compliance, and helping to create a cohesive team. Actual performance measures for the Executive Officers will be chosen by the Compensation Committee. During 2010, an outside benefits attorney was engaged by the Company to review non-qualified deferred compensation plans and to recommend changes to those plans to make them conform with IRS regulations and regulatory requirements and, further, to advise with regard to best practices concerning the structure and implementation of those plans.

EXECUTIVE COMPENSATION

In 2010, because of the continuing national economic downturn and, specifically, the impact such economic downturn is having on financial institutions across the country, the Company and its subsidiary Bank continued to experience impacted operating results. The Compensation Committee, in consultation with Chief Executive Officer Michael J. Cushman, evaluated the performance of the Chief Executive Officer and the other members of the Executive Team in light of the overall poor economic conditions and the resulting impact on earnings of the Company. Based on those factors, the Compensation Committee determined that salaries of the Chief Executive Officer and Executive Officers for 2011 should remain “frozen” at 2008 levels, subject to on-going quarterly review of the performance of the Company and the Executives’ achieving strategic goals for the Company. The Compensation Committee also determined that incentive and performance bonuses, merit increases and related Executive Compensation should be suspended and, further, did not recommend any stock option grants in January 2011. This decision to “freeze” Executive Compensation was not driven by poor performance of the Executive Officers, but rather based on the lack of earnings of the Company during a nationwide economic downturn of a scale that has not been experienced in the banking industry for several generations. The Compensation Committee recommended to the Board that it meet quarterly to continue to review the performance of the Executive Team. The Executive Team succeeded in meeting strategic goals for the Company during 2010 with regard to a successful capital raise, an improvement in credit quality and performance of the loan portfolio, a reduction in non-performing assets, and improvement in the earnings and performance of the Company. Therefore, the Compensation Committee determined that further quarterly compensation review was warranted. The Board of Directors ratified and approved the recommendations of the Compensation Committee at the January 2011 meeting of the Board. In addition, at the January 20, 2011, meeting of the Board of Directors, the Board of Directors directed the Compensation Committee to meet at least quarterly during 2011 to review Director and Executive Compensation and overall compensation and incentive plans for the Company and its subsidiary North Valley Bank in order to continue to monitor the performance of the Company and its subsidiary and recommend to the Board any further adjustments with regard to compensation policies. Based on certain improvements in the financial condition of the Bank, the Compensation Committee anticipates that it may recommend a relaxation in the “freeze” on Director Compensation and Executive Compensation, and also a relaxation in the “freeze” on Salary Continuation Agreements and stock option grants during 2011 in order to support the need to maintain appropriate compensation and benefit levels at the Company and its subsidiary.

Base Salary

It is the goal of the Company’s Compensation Committee to establish salary compensation for its Executive Officers based on the Company’s operating performance relative to comparable peer companies over a three-year to five-year period. The Compensation Committee believes this provides an opportunity to attract and retain talented managerial employees, both at the senior executive level and below. As indicated

above, 2011 salaries for the Executive Officers will remain unchanged from 2008 salaries.

Bonus

The Executive Discretionary Incentive Plan set annually by the Compensation Committee is designed to reward the Company's executives for the achievement of short-term financial goals, including increases in performance against peer banks, the achievement of short-term and long-term strategic goals, and overall financial performance of the Company. It is the Company's general philosophy that management be rewarded for their performance as a team in the attainment of these goals, rather than individually. North Valley Bancorp believes that this is important to aligning our Executive Officers and promoting teamwork among them. Bonus percentages for Executive Officers were initially proposed by a compensation consultant based on an analysis of peer banks and industry sector considerations. Those basic percentages, which are discretionary with the Compensation Committee, have generally been followed in recent years. Those percentages are as follows: for Executive Officers other than the Chief Executive Officer, the range is 10% - 40% of base salary; and for the Chief Executive Officer, the range is 10% - 50% of base salary. Similarly, Executive Officers are eligible for discretionary incentive stock option awards based on the following percentages: for Executive Officers other than the Chief Executive Officer, the range is 0% - 5% of base salary as the number of options considered for award; and for the Chief Executive Officer, the range is 0% - 6% of base salary as the number of options considered for award.

Although each Executive Officer is eligible to receive an award at the discretion of the Compensation Committee, the granting of the award as to any individual, officer or as a group, is first at the discretion of the Chief Executive Officer and then, based on his recommendation, at the discretion of the Compensation Committee and the entire Board of Directors. The Compensation Committee may choose whether to award a bonus and decides on the actual level of the award in light of all relevant factors after completion of the applicable fiscal year. As indicated above, no bonuses have been awarded to the Executive Officers for the year 2010.

The following Summary Compensation Table sets forth the compensation of the President and Chief Executive Officer (Principal Executive Officer) and the Executive Vice President and Chief Financial Officer (Principal Financial Officer) of the Company and all of the other Executive Officers for services in all capacities provided to the Company and North Valley Bank during 2010, 2009, and 2008:

- (1) Base salary includes 401(k) Plan and Executive Deferred Compensation Plan (“EDCP”) contributions made by the named officers.
- (2) The amount reported in this column is the dollar amount recognized for financial statement reporting purposes for 2008 in accordance with Accounting Standards. The assumptions used to calculate the fair value are described in Footnote 1 to consolidated financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2010.
- (3) The amounts in this column represent the increase in the actuarial net present value of all future retirement benefits under the individual’s salary continuation plan and the above-market or preferential earnings on any nonqualified deferred compensation. The above-market rate is determined by using the amount above 120% of the Federal long-term rate. For 2010, the interest rate paid was 8.00%, and the above-market rate was determined to be 4.68%. For 2009, the interest rate paid was 8.757% and the above-market rate was determined to be 4.56%. For 2008, the interest rate paid was 10.072% and the above-market rate was determined to be 5.20%.
- (4) Included in this column are perquisites described below in the table under the heading “Perquisites.”

Perquisites

Executive Officers who participated in the North Valley Bancorp 401(k) Plan received matching funds, as did all employees of the Company who participated in the Plan. All of the Company’s employees and Executive Officers named in the Summary Compensation Table above are eligible to participate in the Company’s ESOP Plan. Executive Officers, in addition, are eligible to receive the same health and insurance benefits as made available to all other employees of the Company. In addition, the Executive Officers are eligible to participate in executive and key employee deferred compensation plans as discussed hereafter.

Executive Officers received certain 2010, 2009, and 2008 perquisites as follows:

Stock Option Awards

North Valley Bancorp intends that its stock option award program be the primary vehicle for offering long-term incentives and rewarding its Executive Officers and key employees. The Company also regards its stock option award program as a key retention tool. This is a very important factor in its determination of the type of option award to grant and the number of underlying shares that are granted in connection with that award. Because of the direct relationship between the value of an option and the market price of the Company's Common Stock, North Valley Bancorp has always believed that granting stock options is the best method of motivating the Executive Officers to manage the Company in a manner that is consistent with the interests of the Company and its shareholders. No stock options were awarded to Executive Officers in 2010.

Timing of Grants

Stock options awarded to the Company's Executive Officers and other key employees are typically granted annually in conjunction with a review of the individual performance of its Executive Officers. This review takes place at the regularly scheduled meeting of the Compensation Committee, which is held in conjunction with the quarterly meeting of the Board in January following the fiscal year under consideration. Grants to newly hired employees are effective on the date of grant as consideration for the hiring of the new employee. The exercise price of all stock options is set at the closing price of Common Stock as reported on the NASDAQ Global Select Market on the date of grant. As indicated in the following table, the Compensation Committee did not recommend and the Board of Directors did not grant any stock options to Executive Officers for 2010.

Employment Agreements

The Company entered into an Employment Agreement with Michael J. Cushman in 2001. The Company entered into an Employment Agreement with Leo J. Graham in 2004, revised in 2006. The Company entered into Employment Agreements with Gary S. Litzsinger, Scott R. Louis and Roger D. Nash during 2005. The Company entered into an Employment Agreement with Kevin R. Watson in 2006.

The Employment Agreement entered into in 2001 with Mr. Cushman had an initial term of three years with annual renewals. The Employment Agreements with Messrs. Watson, Louis, Nash, Litzsinger, and Graham have an initial term of one year and provide that they will be extended for additional one-year periods, or be at will, unless either the employee or the employer gives notice of non-renewal before the end of the term or extended term. All of the Employment Agreements have been extended at their annual anniversary dates upon the same terms and conditions, except for Mr. Cushman, whose Employment Agreement has been extended annually since the end of its initial three year term upon the same terms and conditions. The compensation paid to each of Messrs. Cushman, Watson, Louis, Nash, Litzsinger, and Graham for years 2010, 2009, and 2008 under the terms of their respective Employment Agreements is set forth in the Summary Compensation Table on page 23 of this Proxy Statement.

Under the terms of their respective Employment Agreements, all Executive Officers are eligible to participate in the Executive Deferred Compensation Plan and the Salary Continuation Agreements (see discussion below) and are entitled to all other benefits made available to employees of the Company generally.

All Executive Officers may receive severance pay upon termination by the Company without cause in an amount ranging from six months to 24 months of current base salary, except Mr. Cushman who also may receive a pro rata share of his annual incentive compensation for the prior year. Payment of severance pay is subject to the limitations set forth in applicable laws and regulations.

POST-EMPLOYMENT COMPENSATION

Salary Continuation Agreements

The Company has entered into a Salary Continuation Agreement with each of the Executive Officers. The Salary Continuation Agreements provide for five general classes of benefits for Executive Officers, which benefits vest over a period of eight (8) to ten (10) years with credit for prior service or as determined by the Chief Executive Officer and the Board of Directors:

- (1) Normal Retirement Benefits. The normal retirement benefit is calculated to provide a target benefit in the amount equal to sixty percent (60%) of the executive's compensation at the time of retirement (age 65) or a lesser amount as determined by the Chief Executive Officer and the Board of Directors.
- (2) Early Termination Benefit. The early termination benefit is the vested portion of the target retirement benefit.
- (3) Disability Benefit. The disability benefit is a Disability Lump Sum Benefit specified in the agreement for the plan year immediately preceding the disability, payable only upon total disability as defined in the agreement.
- (4) Death Benefit. The death benefit is an amount determined by a formula that takes into account the number of years of service and the anticipated compensation level at the age of retirement.

- (5) Change of Control Benefit. The change of control benefit is an amount determined as follows: Executive Officer's Fully Vested Present Value Benefit payable at age 65 for the current plan year plus two times the Executive Officer's current Plan Year Compensation (except with respect to the Chief Executive Officer, which is 2.99 times plan year compensation). This benefit is payable only in the event of a change in control as defined in the Salary Continuation Agreement and is limited by the provisions of Internal Revenue Code section 280(g) and by federal statute or regulation.

After consulting with its compensation consultant, the Company determined that it would be more cost effective for the Company to acquire prepaid policies of life insurance to fund these anticipated future obligations than to pay annual premiums. The Company, as a result of acquiring the prepaid policies, has cash values in the policies in excess of the amount paid for those policies.

The Company and the Executive Officers who have Salary Continuation Agreements have entered into split dollar life insurance agreements in connection with the life insurance policies obtained by the Company on their lives.

The following table illustrates the approximate annual retirement income that may become payable to a key employee credited with the number of years of service shown, assuming that benefits commence at age 65 and are payable in the form of an annuity for the employee's life or for 20 years (whichever is greater):

Mr. Cushman began accruing retirement benefits under his Salary Continuation Agreement effective January 1, 2001, and is fully vested. Messrs. Watson, Louis, Nash, Litzinger, and Graham began accruing retirement benefits under their Salary Continuation Agreements according to their respective hire dates.

Effective on October 1, 2009, the Company entered into agreements to “freeze” vested benefits under the Salary Continuation Agreements with participating officers. Substantially identical agreements were signed with Michael J. Cushman (President and Chief Executive Officer), Kevin R. Watson (Executive Vice President and Chief Financial Officer), Scott R. Louis (Executive Vice President and Chief Operating Officer), Roger D. Nash (Executive Vice President and Chief Credit Officer), Gary S. Litzinger (Executive Vice President and Chief Risk Officer), Sharon L. Benson (Senior Vice President and Director of Accounting), and Leo J. Graham (General Counsel and Corporate Secretary). Each Agreement provides that vested accrued benefits under the Agreement will be “frozen” (remain fixed at the amount determined as of September 30, 2009) until such time as the Board of Directors elects to recommence accruals. The “freeze” remained effective during the year 2010. Notwithstanding, the normal accrued benefit (as of September 30, 2009) remains payable in accordance with the terms of each Agreement in the event of a Change in Control or Disability (each as defined in the Plan) or in case of an officer’s termination of employment due to death. These “freeze” agreements do not change the form or timing of any amount payable under the Agreements.

As of December 31, 2010, the Company’s aggregate accrued obligations under all Salary Continuation Agreements were \$5,910,000 (includes obligations to retirees under old plans).

The following table summarizes the vested benefits payable to the Executive Officers under their Salary Continuation Agreements, as of December 31, 2010.

Executive Deferred Compensation Plan

The Executive Deferred Compensation Plan (“EDCP”), adopted by the Directors of the Company and North Valley Bank effective January 1, 2001 and restated effective January 1, 2007, is a nonqualified executive benefit plan in which the eligible executive voluntarily elects to defer some or all of his or her current compensation in exchange for the Company’s promise to pay a deferred benefit. The deferred compensation is credited with interest under the plan and the accrued liability is paid to the executive at retirement. Unlike a 401(k) plan or a pension plan, an EDCP is a nonqualified plan. Accordingly, this plan is selectively made available to certain highly compensated employees and executives without regard to the nondiscrimination requirements of qualified plans. The EDCP is also an unfunded plan, which means there are no specific assets set aside to fund the plan. The Company has purchased life insurance policies in order to provide for payment of its obligations under the Executive Deferred Compensation Plan, but the executive has no rights under the plan beyond those of a general creditor of the plan sponsor. The deferred amount is not taxable income to the individual and is not a tax-deductible expense to the plan sponsor.

The EDCP is embodied in a written agreement between the plan sponsor and the executive selected to participate in the plan. The agreement includes provisions that indicate the benefits to be provided at retirement or in the event of death, disability, or termination of employment prior to retirement. The agreement provides for full vesting of deferred amounts since the executive is setting aside his or her current compensation. If the individual leaves, the account balance would be paid according to the terms specified in the agreement. If the individual were to die prior to or during retirement, the promised benefits would be paid to the individual’s beneficiary or estate.

As of December 31, 2010, the Company’s aggregate accrued obligations under all executive deferred compensation plans were \$255,000.

The following table summarizes the nonqualified deferred compensation benefits payable to the Executive Officers as of December 31, 2010.

Change in Control Agreements

In the event of a sale, dissolution or liquidation of the Company or a merger or a consolidation in which the Company is not the surviving or resulting Company, a “change in control” occurs.

All of the Executive Officers are, upon a change in control of the Company, entitled under their Employment Agreements to receive the “change in control” benefits described in their Salary Continuation Agreements (see discussion of Salary Continuation Agreements above), subject to any limitations by federal statute or regulation.

All options outstanding under the 1998 Employee Stock Incentive Plan and the North Valley Bancorp 2008 Stock Incentive Plan which at the time are not fully vested may, nonetheless, under the terms of the relevant agreement of merger or consolidation or plan of sale, liquidation or dissolution, be entitled to be exercised as if they were fully (100 percent) vested. Summary information regarding each Company stock option plan is set forth at pages 35-36.

The North Valley Bank Executive Deferred Compensation Agreements and North Valley Bank Executive Salary Continuation Agreements provide for the acceleration of the payment of benefits to Executive Officers thereunder upon a change in control of the Company. Summary information regarding such agreements is set forth below, as of December 31, 2010.

Leo J. Graham	Payment of Two-times current Salary plus 3-year Average Bonus and Accelerated vesting of Salary Continuation Plan	\$ 812,208

- (1) Each amount shown in this column is the maximum, as the individual Agreements limit the amount of payment to any Executive Officer as a result of a change in control, including the value of acceleration of any equity awards and salary continuation plans, to the maximum amount permissible to avoid an “excess parachute payment” under Section 280(g) of the Internal Revenue Code and may be further limited by federal statute or regulation.

DIRECTOR COMPENSATION

Director Deferred Fee Plan

The Director Deferred Fee Plan (“DDFP”), adopted by the Directors of the Company and North Valley Bank effective January 1, 2001 and restated effective January 1, 2007, is a nonqualified director benefit plan in which the eligible director voluntarily elects to defer some or all of his or her current fees in exchange for the Company’s promise to pay a deferred benefit. The deferred fees are credited with interest under the plan and the accrued liability is paid to the director at retirement. Unlike a 401(k) plan or a pension plan, a DDFP is a nonqualified plan. Accordingly, this plan is only made available to outside directors without regard to the nondiscrimination requirements of qualified plans. The DDFP is also an unfunded plan, which means there are no specific assets set aside to fund the plan. The Company has purchased life insurance policies in order to provide for payment of its obligations under the Director Deferred Fee Plan, but the director has no rights under the plan beyond those of a general creditor of the plan sponsor. The deferred amount is not taxable income to the individual and is not a tax-deductible expense to the plan sponsor.

The Company and the Directors who have DDFP Agreements have also entered into split dollar life insurance agreements in connection with the life insurance policies obtained by the Company and North Valley Bank on their lives.

The DDFP is embodied in a written agreement between the plan sponsor and the Director selected to participate in the plan. The agreement includes provisions that indicate the benefits to be provided at retirement or in the event of death, disability, or termination of Board membership prior to retirement. The agreement provides for full vesting of deferred amounts since the Director is setting aside his or her current fees. If the individual leaves, the account balance would be paid according to the terms specified in the agreement. If the individual were to die prior to or during retirement, the promised benefits would be paid to the individual’s beneficiary or estate.

As of December 31, 2010, the Company’s aggregate accrued obligations under the Directors Deferred Fee Plan were \$1,516,000.

Components of Director Compensation

North Valley Bancorp reviews the level of compensation of its non-employee Directors on an annual basis. To determine whether the current level of compensation for its non-employee Directors is appropriate, North Valley Bancorp has historically obtained data from a number of different sources including:

- Publicly available data describing director compensation in peer companies;
- Data provided by the California Banker’s Association with regard to director compensation;
- Information obtained directly from other companies.

During 2010, each Director (other than the Chairman) of North Valley Bancorp was paid \$3,000 per quarterly meeting of the Board of Directors and each Director (other than the Chairman) of North Valley Bank

was paid \$500 per monthly meeting of the Board of Directors. Payments for attendance at Loan Committee meetings of North Valley Bank during 2010 were \$250 per meeting. The Chairman of the Board of Directors of the Company was paid \$5,000 for each quarterly meeting of the Board of Directors and the Chairman of the Board of Directors of North Valley Bank was paid \$850 for each Board of Directors meeting during 2010. The Chairman of the Loan Committee was paid \$350 per meeting during 2010. The Chairman of the Audit Committee was paid a quarterly fee of \$1,000 during 2010. The Chairman of the Compensation Committee was paid a quarterly fee of \$850 during 2010.

Commencing in 1998, each non-employee Director of the Company has received an award of shares of Common Stock as part of his or her annual retainer as a Director pursuant to the 1998 Employee Stock Incentive Plan and continued under the North Valley Bancorp 2008 Stock Incentive Plan. Each award is fully vested when granted to the outside Director. On October 28, 2010, the Board of Directors elected to forego their 180 share retainer grant for 2010. On July 29, 2009, the Board of Directors elected to forego their 180 share retainer grant for 2009. During 2008 each director was awarded 180 shares of common stock, resulting in an additional 1,440 shares being issued that year. Compensation cost related to these awards was recognized based on the fair value of the shares at the date of the award.

During 2010, cash compensation paid to non-employee Directors of the Company totaled \$199,000. Directors electing coverage under the group health insurance plan available to employees of the Company have been required to pay 100% of their health insurance premiums since January 1989.

The following table sets forth information with regard to compensation earned by non-employee Directors in 2010. Compensation earned by the only employee Director, Michael J. Cushman, is described in the "Executive Compensation" section of this Proxy Statement.

North Valley Bancorp 1998 Employee Stock Incentive Plan

The North Valley Bancorp 1998 Employee Stock Incentive Plan (the “Stock Incentive Plan”) was adopted by the Board of Directors in February 1998 and approved by the shareholders of the Company at the 1998 Annual Meeting. The Stock Incentive Plan provides for awards in the form of options (which may constitute incentive stock options or non-statutory stock options to key employees) and also provides for the award of shares of Common Stock to outside directors. The shares of Common Stock authorized to be awarded as options under the Stock Incentive Plan consist of 120,000 shares increased in an amount equal to 2% of shares outstanding each year, commencing January 1, 1999. The Stock Incentive Plan defines “key employee” as a common-law employee of the Company, its parent or any subsidiary of the Company, an “outside director,” or a consultant or advisor who provides services to the Company, its parent or any subsidiary of the Company. For purposes of the Stock Incentive Plan, an “outside director” is defined as a member of the Board who is not a common-law employee of the Company, its parent or any subsidiary of the Company.

Pursuant to the Stock Incentive Plan, as of April 15, 2011, there were outstanding options to purchase 80,759 shares of Company Common Stock. As provided in the Stock Incentive Plan, the authorization to award incentive stock options terminated on February 19, 2008.

The Stock Incentive Plan is administered by a committee of the Board of Directors. As of April 15, 2011, the Committee members are Royce L. Friesen, Dante W. Ghidinelli, Kevin D. Hartwick, Roger B. Kohlmeier and Dolores M. Vellutini. The Committee must have a membership composition which enables the Stock Incentive Plan to qualify under SEC Rule 16b-3 with regard to the grant of options or other rights under the Stock Incentive Plan to persons who are subject to Section 16 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Subject to the requirements of applicable law, the Committee may designate persons other than members of the Committee to carry out its responsibilities and may prescribe such conditions and limitations as it may deem appropriate, except that the Committee may not delegate its

authority with regard to the selection for participation of or the granting of options or determining awards or other rights under the Stock Incentive Plan to persons subject to Section 16 of the Exchange Act.

In the event that the Company is a party to a merger or other reorganization, outstanding options and stock awards shall be subject to the agreement of merger or reorganization. Such agreement may provide, without limitation, for the assumption of outstanding options by the surviving Company or its parent, for their continuation by the Company (if the Company is a surviving Company), for accelerated vesting and accelerated expiration, or for settlement in cash.

North Valley Bancorp 2008 Stock Incentive Plan

The North Valley Bancorp 2008 Stock Incentive Plan (the “2008 Stock Incentive Plan”) was adopted by the Board of Directors in February 2008 and approved by the shareholders of the Company at the 2008 Annual Meeting. The 2008 Stock Incentive Plan provides for the grant to key employees of stock options, which may consist of incentive stock options or non-statutory stock options. The 2008 Stock Incentive Plan also provides for the grant to outside directors, and to consultants and advisers to the Company, of stock options, all of which must be non-statutory stock options. The shares of Common Stock authorized to be awarded as options under the 2008 Stock Incentive Plan consist of 80,000 shares and shall be increased by a number of shares of Common Stock equal to 2% of the total number of the shares of Common Stock of the Company outstanding at the end of the most recently concluded calendar year. The vesting period is generally four years; however the vesting period can be modified at the discretion of the Company’s Board of Directors, and for all options granted in the fourth quarter in 2008 the vesting period is five years. The 2008 Stock Incentive Plan defines “key employee” as a common-law employee of the Company, its parent or any subsidiary of the Company, an “outside director,” or a consultant or advisor who provides services to the Company, its parent or any subsidiary of the Company. For purposes of the 2008 Stock Incentive Plan, an “outside director” is defined as a member of the Board who is not a common-law employee of the Company, its parent or any subsidiary of the Company.

Pursuant to the 2008 Stock Incentive Plan, as of April 15, 2011, there were outstanding options to purchase 52,558 shares of Company Common Stock.

The 2008 Stock Incentive Plan is administered by a committee of the Board of Directors. As of April 15, 2011, the Committee members are Royce L. Friesen, Dante W. Ghidinelli, Kevin D. Hartwick, Roger B. Kohlmeier and Dolores M. Vellutini. The Committee must have a membership composition which enables the Stock Incentive Plan to qualify under SEC Rule 16b-3 with regard to the grant of options or other rights under the Stock Incentive Plan to persons who are subject to Section 16 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Subject to the requirements of applicable law, the Committee may designate persons other than members of the Committee to carry out its responsibilities and may prescribe such conditions and limitations as it may deem appropriate, except that the Committee may not delegate its authority with regard to the selection for participation of or the granting of options or determining awards or other rights under the Stock Incentive Plan to persons subject to Section 16 of the Exchange Act.

In the event that the Company is a party to a merger or other reorganization, outstanding options and stock awards shall be subject to the agreement of merger or reorganization. Such agreement may provide, without limitation, for the assumption of outstanding options by the surviving Company or its parent, for their continuation by the Company (if the Company is a surviving Company), for accelerated vesting and accelerated expiration, or for settlement in cash.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee consists of the following members of the Company's Board of Directors: Royce L. Friesen (Chairman), William W. Cox and Martin A. Mariani. All members of the Committee are independent as defined under SOX, the rules and regulations of the SEC and the corporate governance listing standards of NASDAQ.

The Compensation Committee reviews and recommends to the Board of Directors, salaries, performance based incentives, both annual and long-term, and other matters relating to the compensation of the Chief Executive Officer and the Chief Executive Officer's recommendations as to Executive Officers, taking into consideration non-salary based benefits in the form of Company paid expenses for car allowances and club memberships. The Committee determines the base salary for the Chief Executive Officer by: (1) examining the Company's performance against its preset goals, (2) examining the Company's performance within the banking industry, (3) evaluating the overall performance of the Chief Executive Officer, and (4) comparing the base salary of the Chief Executive Officer to that of other chief executive officers in the banking industry in the Company's market area. In January 2010, the Committee recommended, and the Board approved, the following executive salaries effective February 1, 2011: Mr. Cushman's annual salary of \$300,982; Mr. Watson's annual salary of \$196,560; Mr. Louis' annual salary of \$161,700; Mr. Nash's annual salary of \$161,700; Mr. Litzsinger's annual salary of \$120,000, and Mr. Graham's annual salary of \$179,008. The base salary levels for all Executive Officers were frozen at the start of 2010, remaining unchanged from 2008. The Compensation Committee determined in consultation with President and Chief Executive Officer, Michael J. Cushman, that all Executive Officer compensation be frozen at 2008 levels, and that no incentive bonuses or merit increases be paid for 2010. The Compensation Committee also suspended the award of incentive stock option grants that normally would be granted in January of 2011 for performance in 2010. The basis for the suspension of incentive bonus compensation and merit increase to base salary was because of the economic downturn nationwide and in California that has negatively affected the earnings of the Company. The Compensation Committee recommended to the Board that it meet quarterly to continue to review the performance of the Executive Team. The reason for an on-going review was the Executive Team had succeeded in meeting strategic goals for the Company during 2010 with regard to a successful capital raise, an improvement in credit quality and performance of the loan portfolio, a reduction in non-performing assets, and improvement in the earnings and performance of the Company. Therefore, the Compensation Committee determined that further quarterly compensation review was warranted.

In addition, at the January 20, 2011, meeting of the Board of Directors, the Board of Directors approved the recommendations of the Compensation Committee and directed the Compensation Committee to meet at least quarterly during 2011 to review Director and Executive compensation and overall compensation and incentive plans for the Company and its subsidiary North Valley Bank in order to continue to monitor the performance of the Company and its subsidiary and recommend to the Board any further adjustments with regard to the Company and North Valley Bank's compensation policies. Based on certain improvements in the financial condition of the Bank, the Compensation Committee anticipates that it may recommend a relaxation in the "freeze" on Director compensation, executive compensation, Salary Continuation Agreements, and stock option grants during 2011 in order to support the need to maintain appropriate compensation and benefit levels at the Company and its subsidiary Bank.

The members of the Compensation Committee have reviewed and discussed the foregoing Compensation Discussion and Analysis with management and, based on such review and discussion, the Compensation Committee has recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement and the North Valley Bancorp Annual Report on Form 10-K for the year ended December 31, 2010.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Transactions with Related Persons

The Company has a policy that it does not enter into any transactions covered under Item 404 of Regulation S-K with the exception of loans made by North Valley Bank (see “Indebtedness of Management” below). There have been no transactions, or series of similar transactions, during 2010, or any currently proposed transaction, or series of similar transactions, to which the Company or North Valley Bank was or is to be a party, in which the amount involved exceeded or will exceed \$120,000 and in which any director, director-nominee or executive officer of the Company or North Valley Bank, or any shareholder owning of record or beneficially 5% or more of North Valley Bancorp Common Stock, or any member of the immediate family of any of the foregoing persons, had, or will have, a direct or indirect material interest.

Indebtedness of Management

Through its banking subsidiary, North Valley Bank, the Company has had and expects in the future to have banking transactions, including loans and other extensions of credit, in the ordinary course of its business with many of the Company’s Directors, Executive Officers, holders of five percent or more of the Company’s Common Stock and members of the immediate family of any of the foregoing persons, including transactions with companies or organizations of which such persons are directors, officers or controlling shareholders, on substantially the same terms (including interest rates and collateral) as those prevailing at the time for comparable transactions with unrelated persons. Management believes that in 2010 such loan transactions did not involve more than the normal risk of collectibility or present other unfavorable features. All loans and other extensions of credit made by North Valley Bank to the Directors and Executive Officers of the Company and North Valley Bank are made in compliance with the applicable restrictions of Section 22 of the Federal Reserve Act and Regulation O of the Board of Governors of the Federal Reserve System.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee consists of the following members of the Company’s Board of Directors: Dante W. Ghidinelli (Chairman), Royce L. Friesen, Kevin D. Hartwick, Roger B. Kohlmeier and Dolores M. Vellutini. All members of the Committee are independent as defined under SOX, the SEC rules and regulations and NASDAQ listing standards. Both Chairman Dante W. Ghidinelli and Mr. Kevin D. Hartwick have been, as a result of their accounting backgrounds determined to be qualified as an Audit Committee Financial Expert as defined under SOX, the SEC rules and regulations and NASDAQ listing standards. The Committee operates under a written charter adopted by the Board of Directors, which is included in this Proxy Statement as Appendix A. The Audit Committee, in addition to its other functions, recommends to the Board of Directors, subject to shareholder ratification, the selection of the Company’s independent registered public accounting firm.

Management is responsible for the Company’s internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company’s consolidated financial statements and internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board (United States) and generally accepted accounting principles and to issue reports thereon. The Audit Committee’s responsibility is to monitor and oversee these processes.

The Committee assists the Board of Directors in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing, internal control and financial reporting practices of the Company.

The Committee's primary responsibilities include the following: (1) serve as an independent and objective party to monitor the Company's financial reporting process and internal control system; (2) review and evaluate the audit efforts of the Company's independent registered public accounting firm and internal audit department; (3) evaluate the Company's quarterly financial performance as well as its compliance with laws and regulations; (4) oversee management's establishment and enforcement of financial policies and business practices; and (5) facilitate communication among the independent registered public accounting firm, financial and senior management, counsel, the internal audit department and the Board of Directors.

The Audit Committee has been updated quarterly on management's process to assess the adequacy of the Company's system of internal control over financial reporting, the framework used to make the assessment and management's conclusions on the effectiveness of the Company's internal control over financial reporting. The Audit Committee has also discussed with the independent registered public accounting firm the Company's internal control assessment process, management's assessment with respect thereto and the independent registered public accounting firm's evaluation of the Company's system of internal control over financial reporting.

It is not the duty or the responsibility of the Committee to conduct auditing or accounting reviews. Therefore, the Committee has relied, without further independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and on the representations of the independent registered public accounting firm included in their report on the Company's financial statements and internal control over financial reporting. Furthermore, the Committee's discussions with management and the independent registered public accounting firm do not provide the Committee with any other independent basis to determine or assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's independent registered public accounting firm are in fact "independent."

The Audit Committee has reviewed and discussed the audited financial statements of the Company for the fiscal year ended December 31, 2010 with management and Perry-Smith LLP, the Company's independent registered public accountants. The Audit Committee has also discussed with Perry-Smith LLP, the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards) as may be modified or supplemented. The Audit Committee has also received the written disclosures and the letter from Perry-Smith LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent public accountants' communications with the Audit Committee concerning independence and the Audit Committee has discussed the independence of Perry-Smith LLP with that firm.

The Committee has recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31,

2010 for filing with the Securities and Exchange Commission and has recommended ratification of Perry-Smith LLP as the Independent Registered Public Accounting Firm for the Company for the fiscal year 2011.

PROPOSAL NO. 2

ADVISORY (NON-BINDING) VOTE ON THE COMPANY'S EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act") provides shareholders with the opportunity to vote on an advisory (non-binding) basis, to approve the compensation of our named executive officers as further described in the "Compensation Discussion and Analysis" and "Executive Compensation" sections of this Proxy Statement, including the related compensation tables and narrative discussion. This proposal, commonly known as a "Say on Pay" proposal, provides our shareholders the opportunity to express their views on our executive compensation program, as it relates to our named executive officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this Proxy Statement.

We ask our shareholders to indicate their support for our executive compensation program for our named executive officers and vote "FOR" the following resolution at the Meeting:

"RESOLVED, that the Company's shareholders approve, on an advisory basis, the compensation paid to the Company's named executive officers as disclosed in this Proxy Statement pursuant to Item 402 of Regulation S-K, including the discussion in the "Compensation Discussion and Analysis" and "Executive Compensation" sections of this proxy Statement and the related compensation tables and narrative discussion."

Because your vote is advisory, it will not be binding upon the Board of Directors or the Compensation Committee and may not be construed as overruling any decision by the Board of Directors or the Compensation Committee. However, the Board of Directors and Compensation Committee may, in their respective sole discretion, take into account the outcome of the vote when considering future executive compensation arrangements.

Shareholders are encouraged to carefully review the "Compensation Discussion and Analysis" and "Executive Compensation" sections of this Proxy Statement and the related compensation tables and narrative

discussion for a detailed discussion of the Company's executive compensation program for our named executive officers.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE APPROVAL OF PROPOSAL NO. 2 AND THE COMPENSATION FOR OUR NAMED EXECUTIVE OFFICERS.

PROPOSAL NO. 3

ADVISORY (NON-BINDING) VOTE ON THE FREQUENCY OF FUTURE “SAY ON PAY” VOTES

The Dodd-Frank Act also provides shareholders with the opportunity to vote on how frequently we should seek an advisory vote, or “Say on Pay,” on the compensation of our named executive officers. Shareholders may indicate on an advisory (non-binding) basis whether they prefer an advisory vote on compensation for our named executive officers on an annual (every one year), biennial (every two years) or triennial (every three years) basis.

After consideration of this proposal, our Board of Directors has determined that an advisory vote on executive compensation that occurs on an annual basis is the most appropriate for the shareholders of the Company. Our Board of Directors values the opinions of our shareholders and believes that an annual advisory vote will allow our shareholders to provide us with their timely, direct input on our executive compensation program for our named executive officers.

We ask our shareholders to indicate their preferred voting frequency by choosing the option of an annual advisory vote (every year), a biennial advisory vote (every two years) or a triennial advisory vote (every three years) or by choosing to abstain from voting on this proposal.

Because your vote is advisory, it will not be binding upon the Board of Directors and may not be construed as overruling any decision by the Board of Directors. However, the Board may, in its sole discretion, take into account the outcome of the vote when considering submission of an advisory “Say on Pay” proposal for shareholder approval.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” APPROVAL OF PROPOSAL NO. 3 AND THE ANNUAL FREQUENCY OF FUTURE “SAY ON PAY” VOTES.

PROPOSAL NO. 4

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM
